4. The classes for the swine show will be set after the official weigh in. A percentage of animals in each class will make the sale, any remaining sale slots or alternate slots will be filled beginning with the next available placing working from heavyweight to lightweight. This process will continue until all slots are filled. Sale cards will be distributed to the exhibitors from the announcers stand after the conclusion of senior showmanship.
5. Order of judging will begin with market swine show, followed by showmanship.
6. Non-sale hogs will be required to leave within 24hrs after the conclusion of the show.
7. Exhibitors with non-sale hogs need to make arrangements to market their own hogs. (This could change if the proper conditions exist at show time.)
8. Exhibitors will be required to feed and water their hogs in such a manner that pens are kept as neat as possible and free from mud. Supervisors are encouraged to advise their 4-H and FFA members about this rule and see that it is carried out to the fullest extent possible.

NOTE: For your safety, the swine committee would like to request that exhibitors and spectators stay clear of the north end of the swine show arena area during the swine show. It is very difficult to move hogs in and out of the show arena with people standing in the area.
