NEW FOR 2027 / VENDOR POLICIES

Exclusivity Due to the size and growth of the fair, exclusivity is no longer guaranteed. All previous exclusivity agreements are null and void. Similar vendors will be limited to three, except clothing boutiques, and will not be placed next to each other.

Boutique Boulevard All boutiques must be located in Boutique Boulevard, whether using a tent or trailer. Combination businesses selling *boutique and other items may bring all items to Boutique Boulevard or separate them into two booths, with non-boutique items in another* vendor level. Exceptions and category placement are at fair management's discretion.

Multiple businesses and categories Owners of two or more businesses must submit a separate application for each business. Combination businesses must submit a separate application for each category of items.

Tent frontage and placement Tent vendors are limited to two spaces (10 × 20) of frontage. Use of space in front of or behind these spaces is not guaranteed and requires fair management approval. Exceptions are at fair management's discretion. Vendors must remain above the curb and/or behind the path edge, without exception.
